

The Walk-In Who Came to Heal the Earth

Faith Ranoli, Ph.D,
Environmental Consultant, Author,
Teacher, and Radio Host

Very few people have ever heard the term Walk-In. This program is about an amazing woman who believes that she has come to this planet to facilitate changes in the earth's grid system. Faith Ranoli sees her primary job as a night worker whose soul leaves her body to help heal the Morphogenetic Grid. Learn the answer to how the Arc of the Covenant, Sphere of Amenti, Atlantis, the Rod and the Staff, and the Morphogenetic Grid, are connected to conscious evolution. It is a fascinating story and one you won't forget soon.
